A DAY AT TERROU-BI DAKAR

DAY PASS · DAY USE

FROM DIAMNIADIO TO DAKAR

A day by the ocean

From Diamniadio, head towards Dakar and discover Terrou-Bi overlooking the Atlantic.

For a few hours, enjoy a change of scenery and settle into a different pace.

Relax by the pool or on the private beach, soak up the sun, take a swim and enjoy the ocean breeze.

At lunchtime, head to La Terrasse and take a seat overlooking the ocean. The view, the flavours and the leisurely pace make it tempting to linger a little longer.

Spend the afternoon at your own pace, with a few laps in the pool, some time on the beach or a break in the shade of the palm trees.

A moment to enjoy at your own pace, combining pleasure, relaxation and the art of taking things slow.
